FACE AESTHETICS MASTERCLASS  
Optimum Learning and Best Practices

## EDITO

Dear colleagues,

It is our great pleasure to invite you to attend our next Face Aesthetics Masterclass in Nice (France), on March 4th 2022.

This workshop is one of the 4 clinical Face Aesthetics Masterclasses that are run in Marseille, Nice and Bordeaux (France) every year.

This ultimate session deals with the NOSE and the middle third of the face.

Seats available are very limited to allow attendees to share their experience with experts: optimum learning for best practice!

The venue is the Artistique medical center in Nice where conferences and live demo are scheduled.

Our objective is to help you improve your daily practice after the workshop, and get your certification by attending the 4 clinical Masterclasses to become an expert!

You will definitely remember this workshop as it is part of the Face Aesthetics Masterclass tour: great quality of speakers and scientific program, great venue.

We are looking forward to seeing you in Nice next March !

Best wishes,

*Frédéric Braccini*

*Jérôme Paris*
